Subject: UIC Program Schedule for Friday call

Steve and Jon,

Attached please find a draft schedule which we discussed in concept last week. This schedule will help with progress toward the dates proposed in the State plan and will provide goals for more general program improvements which we have been discussing over the last 9 months. We hope to discuss and finalize these Friday as planned. Thank you for a productive effort last week. We look forward to reaching agreement on the State's plan. Thank You

Mike
